## TO WHOM IT MAY CONCERN

### WARWICK AND ALLISON MARSH

Warwick and Allison and their family visited our Parish two weeks ago and assisted us in the celebration of the Eucharist. Their music, their willingness and prayerfulness as a family had a deep impact on our faith community.

They are obviously committed as a family to the Lord Jesus and have a great desire to share the Gospel message with as many people as possible.

I recommend them to you as a family of musicians and singers who inspire parishioners in their gifts and talents which God calls us to share. Though they are not of the Catholic faith, their total respect and dignity in leading the singing was most commendable.

I encourage and recommend you to have the Marsh Family participate in celebrating Mass, or any other means of touching people both young and old.

I pray for God's continued guidance and blessings on their vision and ministry.

Father Greg Beath, P.P.
