Letter of Recommendation

Last Sunday we were ministered to by a most wonderful Christian family...the Marsh family. I want to highly recommend this family to any church.

Musically they are super & they used their God given gifts to share the Gospel of Jesus Christ through the powerful medium of music. I would also want to say how sensitive they were to our congregations needs...ie they just didn't come in and do "their stuff", they responded to our needs and shared with us.

They have a wide range to offer in the musical and ministry spectrum and I highly recommend them to any Christian church or community.

All of God's Blessings
